"THERE'S SOMETHING ABOUT DIVING FACE FIRST INTO JUICY PUSSY!"

EDITORIAL

I write this, stuffed with winter's first killer cold but comforted by the vista afforded by our palatial new offices. Instead of a bit of the car park, I can now see all of the car park, as long as I squat on my table like a shitting chimp. There's a tempting real ale pub only 30 yards away, but because of fire regs I have to walk about 1/2 mile to get to it. Unless I make a break for it by climbing through the ceiling tiles. It's 10.30AM. It's never too early for a medicinal one... ♣

Dear Club,
For some years now Estelle my wife, Garfield my mate and I have made up an amateur car rally team, entering various weekend competitions. We used to fare only average but after Garfield completed an advanced rally driving course, results improved. Both Garf and I used to drive, but with his better honed skills he tended to take the wheel with Estelle as navigator and I provided mechanical support. Team work is everything... as well as a touch of arrogance.

You have to believe that you're the best to shave off the seconds and in this instance at a rally over in Ireland, that was achieved by Estelle taunting Garfield on. We were second in the last but one group stage and Garfield needed to squeeze that little bit more out. Estelle said calmly to him, "If you win the rally I'll fuck you. John doesn't mind, do you?" Actually, I didn't mind. We are all mates and the thought of winning our first rally was a real buzz. In any case, there was a frisson between Estelle and Garfield and I would have been stupid not to recognise it.

That night, at the tiny hotel where we stayed, Estelle and I got it on, my wife straddling my trembling erection and sliding her succulent wet cunt down onto my stalk. "Do you like the idea of Garfield fucking me?" she asked teasingly, riding up and down my shaft so that her pretty tits wobbled. I admitted that I did, I could picture her peaches and cream flesh riding atop his fine ebony physique. She handled sex stylishly with real attitude, expecting the best and getting it.

In any case, why shouldn't Garfield have a reward if he drove the stage of his life? "Good," she gasped, her mind filling with raunchy thoughts, her fanny with my bulging prick, "Because I've always wanted to be a whore with you both on rally weekends." We came immediately, together, Estelle pulling at her tits, throwing back her head and groaning loudly.

Needless to say that Garfield won the last stage and we lifted the trophy! Our nearest rival lost it somewhere in the forest and we drank to our success. Estelle was really aroused, really keen to gee up Garfield even more, so she said to me, "You're the mechanic – you sleep in the other bedroom, not the master one!" I was about to say something about competing with the opposition, not amongst ourselves, but that seemed petulant. We'd agreed the matter.

So we retired upstairs and I moved my toilet bag. The bedroom connecting door should have been shut, I was sure of that, but Garfield didn't seem to care. He was so drunk with success that an arrogant fuck seemed in order too. I was soon drawn to the sound of their dirty talk.

Watching Garfield peel off Estelle' s blouse, drop her bra with one easy movement, and unbutton her tight designer jeans provided a lesson in dexterity. Garfield's hand went between her legs, down inside her G-string and straight inside her lovely young cunt. She wore nothing but the chronograph watch she used for the rally, and a huge look of satisfaction on her face, as Garfield fingered her.

Watching her release his erection was difficult – she seemed so eager. It was soon out though, proud and challenging for any but the best-exercised young woman. I saw her draw its head to her sex lips and then hang on to Garfield's burly shoulders as he jagged it inside.

"We'll have some rules, I think" Garfield joked, gyrating his hips and screwing his cock up inside. "For every stage I win or improve upon, you and I get it on. Every section that John wins, he gets it on." "But John isn't driving these days!" Estelle smiled. "Exactly!" Garfield laughed, winding me up as I watched from the doorway.

Fucking upright can be a rough and ready affair, but to be fair to Garf he handled it with panache. He's so big physically and Estelle is so petite and slim that he hoisted her up onto his hips, directing her legs around him so that he could slide her up and down the length of his cock. Estelle's tits were bouncing, her neck flushing puce and her face creased up as the sensation of thick cock had its effect.

The more he worked her on that meat hook the more she gasped and groaned. I knew that Estelle was trying to be ladylike about all this, but the lust was overwhelming. A few more jerks down to the hilt of his cock and Estelle climaxed, her body shuddering with the force of it. I saw

WITCHES OF BEATS-DICK!

Dear Club,
Your girl Sasha definitely looked a lot better in her Halloween outfit than the little shits who came trick or treating to my house. If she popped round, I'd give her more than a Freddo bar and a satsuma, that's for sure. In fact, I'd get that little witch to ride my broomstick and soon I'd be pump(k)in in and out of her lovely fanny. Ah, we can but dream.
Ray, Solihull

Fancy a job as a sub-editor on Britain's best scud mag, Ray? I mean, we're not hiring, what with budget cuts and moving our printing to the original Gutenberg press, but you should think about it. We're kicking ourselves for not thinking of that 'pump(k)in' gag ourselves!

KEEP IT REAL!

Dear Club,
I'm wise enough to know that not every reader's wife is a reader's wife, and not every letter to a newspaper or magazine is real, but I just wondered how many of your reader's girlfriends are exactly that. I love the section, always have, and I know you've unearthed some real future stars in that bit of the mag. But I've seen some of those girls in other mags, so wondered if you were winding us up.
Dave, Colchester

To be honest with you, Dave, 'Reader's Girlfriend' is a broader term than it used to be. It's tricky, because we know Club readers expect a certain standard of girl, and some of the submissions aren't always up to snuff – no offence, we're very choosy. But we do insist that the girls in that section are either shacked up with Club readers, or are Club readers themselves. And no offence to our sister magazines either, but while the girls do appear in those magazines, it's Club they dream of being in!

Garfield's buttocks clenching rhythmically and knew full well what that meant!

"You greedy bastard," I told him afterwards, passing the beers. "How on earth will we tell the press how we suddenly improved performance?" We both laughed and Estelle made it clear that the motorsports press weren't to know. She settled provocatively down on Garfield's lap, enjoying the feeling of being at the centre of all this. I could, however, write to *Club International*, as that was a sexy and broad minded publication, she whispered...

SOCK IT TO US! ♣

Erin's wrapped up for winter...

Women are always bloody cold. If it's not the constant battle over the thermostat, they're wrapping up in twelve layers and hauling the duvet down to the sofa. Even though it's 27 degrees outside. Erin's no different, only she knows how to make socks look sexy as well as practical.

You see, long socks are no good when they're combined with thermals and shawls and such. But combine them with no knickers, no bra and you're onto a winner. Erin has just made winter sexy overnight.

"Thanks, guys!" exclaims the bubbly Yank. "I love this look. I think that the socks and no panties frames my pussy perfectly, and that's where I want all your attention to be focussed."

We're way ahead of you, love. ♣

Domino knocks spots off the competition...

A girl with a name like Domino is manna from heaven for our witty writers. They can riff and pun on that name for, ooh, seconds. But Domino presents another problem: how do you not talk about those tits?

Yep, those top cunts are the elephant in the room. We're looking at 'em, you're looking at 'em, and she knows it.

"Yes, my tits do get a lot of attention," Domino admits. "Guys tend to check them out first, then scan up to my face."

Isn't that a bit insulting?

"No, because they tend to like my face, so they go back to the tits. Any guy who wants me just for what's in my bra isn't going to get very far anyway!"

Well, we like the whole package.

"Good. I keep the tits in reserve as a treat. You've eaten my pussy well? You've fucked me hard? You've made me cum a couple of times? Good, now you get to have my tits wrapped around your dick while I titfuck you until you're spraying jizz all over them!"

CLUB'S ROUGH GUIDE TO...

THE HEAVYWEIGHT BOXING SCENE!

WITH THE DAVID HAYE VERSUS AUDLEY HARRISON FIGHT JUST AROUND THE CORNER, MATT LOXHAM TAKES A LOOK AT THE STATE OF HEAVYWEIGHT BOXING IN BRITAIN AND BEYOND, AND REFLECTS ON A MUCH HEADIER TIME FOR UK FIGHT FANS.

LET'S GET READY TO RUMBLE!

Over the last few months of this year, a series of Heavyweight bouts are taking place that should help shape a division that was recently described by ring legend and promoter Oscar De La Hoya as one that, 'basically doesn't exist'.

Blighted by champions who would rather take easier bouts than go toe-to-toe with one another, a raft of journeymen attempting to cling onto their former glories, and a general lack of strength in depth right across the board, the Heavyweight scene could even be said to have become somewhat of a laughing stock in recent years.

It's a far cry from the hype and excitement that surrounded the division during the 80s and 90s; a rich period for the sport's biggest hitters that saw the likes of Mike Tyson, Tim Witherspoon, Riddick Bowe, Evander Holyfield, Larry Holmes and even a 'pre-grill, post-best' George Foreman mixing it up in some classic bouts in front of sell-out crowds and huge TV audiences.

These were also high times for Heavyweight boxers and fight fans on these shores, too. Frank Bruno was the main draw, competing in a series of huge world title bouts against Witherspoon, Tyson (twice), fellow Brit Lennox Lewis and Oliver McCall, the latter of which took place at a packed out Wembley Stadium, no less.

Where Bruno was the 'people's champ', Lewis became the undisputed champ when he held all the belts after beating Evander Holyfield on points back in 1999.

Nowadays, boxing fans have to make do with Heavyweights such as the technically brilliant but far from exciting Klitschko brothers – Wladimir and Vitali – and British hopes lie mostly with the largely unproven but promising London fighter, David Haye.

Admittedly, former Olympic gold medallist Audley Harrison has a huge punch and could arguably beat almost anyone on his day, but he's wildly unpredictable, and British veterans Michael Sprott and Matt Skelton, although capable, haven't quite managed to make it on the world stage as yet.

However, by the end of 2010 the Heavyweight scene both in the UK and across the world could be on its way back to its thrilling heyday, as all the division's star pugilists stake their claim to be involved in a series of potential 'superbouts' during 2011.

Can Haye step up to the challenge of bringing back the Bruno and Lewis glory days, or will Audley Harrison find one more big punch and put himself back in the spotlight, and can anyone – British or otherwise – knock those pesky Klitschko brothers off their all too comfortable perches?

All will be revealed, but the biggest result for the sport exists in the fact that the Heavyweight boxing scene in Britain and beyond is actually getting interesting again.

HAYE VS HARRISON

The most overhyped domestic clash since Frank Bruno took on an aging Joe Bugner at White Hart Lane back in 1987 in front of 35,000 rather underwhelmed boxing fans, or a fascinating clash between an exciting yet relatively untested Heavyweight and a national hero turned laughing stock gunning for redemption? Whatever your opinion, all will be decided when Audley 'A-Force' Harrison and David 'The Hayemaker' Haye take to the 'squared circle' on Saturday November 13th at the MEN Arena in Manchester.

After winning gold in the Super-Heavyweight category at the Sydney Olympics in 2000, Harrison's professional boxing career at Heavyweight has been one of bold claims and baffling unpredictability.

He started off well enough against some very ordinary opponents, and went on to win the lowly World Boxing Federation belt in albeit impressive fashion against the previously unbeaten Dutch boxer Richel Hersisia, knocking him out in four rounds.

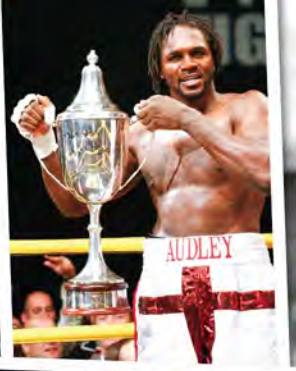
After defending the title twice, Harrison was sidelined for a year with an injury to ligaments in his hand, and although he returned to the ring with two victories, in early-2006 he suffered his first loss on a closely-fought points decision to fellow Brit Danny Williams, and followed this setback with a shock, not to mention humiliating, bashing at the hands of little-known American, Dominick Guinn.

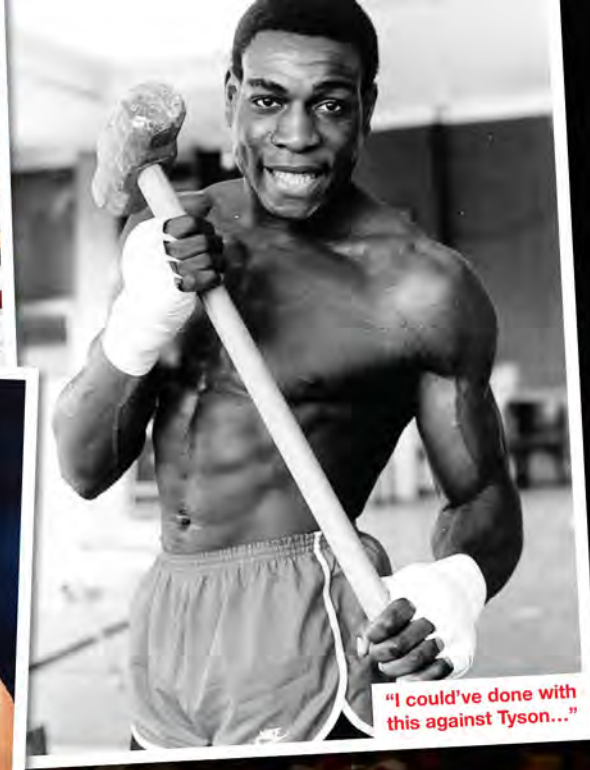
His march to Heavyweight glory was suddenly in tatters, but Harrison came out fighting, avenging the loss to Williams in impressive style, flattening his opponent in the third round and seemingly getting his career back on track before, somewhat typically, throwing all his good work away and getting knocked out cold by Michael Sprott.

Hampered by inconsistency ever since, Harrison earned himself one last shot at glory earlier this year when, losing heavily on points in the final round in a rematch with Sprott, he found a punch from nowhere and flattened his unfortunate opponent.

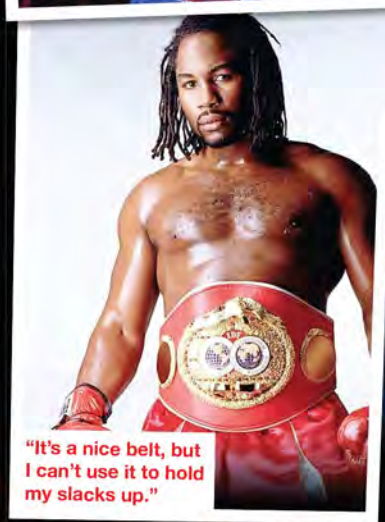
That win bagged Harrison a shot at Haye, a former undisputed Cruiserweight champion who recently made the step up to Heavyweight and won the World Boxing Association title after just two fights, overcoming seven-foot-two-inch Russian Nikolai Valuev on points, and subsequently defending his belt against American John Ruiz, battering the number one contender over eight gruelling rounds, knocking him down three times in the process.

A similar fate might befall Harrison, especially considering that there's no love lost between the two Brits. Haye is the superior boxer and could easily 'beat up' on Harrison – he says that he plans to destroy his opponent and 'close the curtain on the joke that is the Audley Harrison show' – but to do that Haye will have to steer clear of Harrison's fearsome left hook.





"I could've done with this against Tyson..."



"It's a nice belt, but I can't use it to hold my slacks up."

ONES TO WATCH

DEREK CHISORA VS WLADIMIR KLITSCHKO

After winning the first fourteen fights of his professional career in impressive style, London's Derek Chisora has earned a crack at Wladimir Klitschko, the IBF, IBO and WBO Heavyweight champion.

Klitschko is the overwhelming favourite, but Chisora is confident of causing a massive upset on December 11th, and setting up a big all-British clash with the winner of the Haye versus Harrison bout.

TOMASZ ADAMEK VS VINNY MADDALONE

Famed for his incredible punch resistance and 'granite chin', Pole Tomasz Adamek looks set to get a shot at Vitali Klitschko should he defeat journeyman Vinny Maddalone in December.

Adamek is the joker-in-the-pack amongst the Klitschko brothers, Haye and Harrison, and would no doubt prove to be a very tricky and durable opponent for any of the leading contenders.

THE GLORY DAYS!

LENNOX LEWIS

Although born in East-London, the Lewis family relocated to Canada when Lennox was 12, and he went on to represent his adopted country in the Seoul Olympics in 1988, winning the gold medal at Super-Heavyweight; defeating none other than Riddick Bowe in the final.

Lewis turned professional in 1989 and went on a run of 22 fights unbeaten, before his old foe, Riddick Bowe, refused to fight for his WBC crown against Lewis and thus relinquished the belt to his Olympic conqueror.

He successfully defended his WBC title three times, most notably against Frank Bruno, the first time in history two British boxers had fought for the Heavyweight title, but later suffered a stunning setback when he was knocked out cold by the unpredictable American, Oliver McCall.

Lewis quickly avenged that defeat, making McCall cry in the process, and began to accumulate titles once more, finally outpointing Evander Holyfield at the second attempt to become Britain's first ever undisputed Heavyweight champion of the world.

Although South Africa's Hasim Rahman upset the odds to dethrone Lewis just three bouts later – taking the puncher's chance – he avenged that defeat also to end his career on a high note with wins over Mike Tyson and Vitali Klitschko, earning the right to be considered one of the best boxers of all time. And he's definitely British – not Canadian...

FRANK BRUNO

Thanks to a string of defeats at the very top level of the sport, not to mention his appearances in pantomime and 'Know what I mean, Harry' catchphrase, Frank Bruno wasn't always taken seriously by boxing fans, even when he beat Oliver McCall to become WBC Champion in 1995.

But the stats don't lie, and the fact remains that Bruno was an exceptionally talented fighter who won the first 21 bouts of his career by knockout – beating some quality opponents on the way – a run that was somewhat fortuitously ended by James 'Bonecrusher' Smith, who knocked Bruno out in the final round of their fight with the British boxer clearly ahead on points.

Indeed, that became a bit of a theme with Frank's big title attempts. In 1986 he was flattened by Tim Witherspoon in the eleventh whilst well ahead on the judges' scorecards, and Bruno was also leading on points against Lewis before being stopped in the seventh round of their massive all-British clash.

However, apart from *that* win over Oliver McCall in 1995, perhaps Bruno's most famous moment was when he rocked a 'peak of his powers' Mike Tyson with a vicious left-hook in the first round of their first fight back in 1989. So near, but yet so far... ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Hi boys! Now, I think you all know how much I like cock. But I thought you needed to know how much I like pussy as well! I first met Valentina on a shoot a couple of years ago, and we had a secret fling. But we didn't get photographed together in full flow, and I thought I'd save that for you!

I'm not about to become a lesbian. Why do that when I can have the best of both worlds? But there is something special about diving face first into a juicy pussy – well, I'm sure you boys know all about that, if you're playing your cards right!

Obviously we can't show you everything here, so check out the website where we get really rude! ♣

Dear Sasha

Sorry to bore you, but I was in the bank the other day and I was thinking how great you would look wearing a smart navy blue skirt suit with a white blouse, white stockings and black heels. I was thinking how great it would be to be interviewed for a loan (not that I want a loan!) and you would flash me a lovely pair of white knickers in a variety of positions. Just casual legs apart, or reaching for a file or leaning back. I really enjoy your feature every month and long may it continue!
John, Nottingham

Oh, you're a real sweetie John. I do get to dress up a lot being a model, but I do like the idea of getting dressed up all 'power' style every day and going into a bank. I'd flirt with all my colleagues and the customers as well. I'm' not sure I'd be great at deciding on loans though. My mind wanders to sex every 30 seconds so I'd probably end up bankrupting the bank on my first day!

Dear Sasha

First of all I want to say that you are one of the finest girls I've seen in *Club* or any other mag. You are the baddest bitch in the mag and the swagger is always there. I'm a regular buyer of *Club* and I buy it just to see you in it.

Right now I'm stuck in jail but I'm gonna be out of here soon. When I get out I'll be looking for work and I was looking to go into the adult industry. How do you like it yourself? I've only seen you pose in mags, but do you do videos?

Anyway, I've seen you in the England football kit and you looked so sexy, do you think you would be able to pose in an Arsenal football kit? *Miguel, Dorset.*

Hi Miguel. Thanks for your lovely letter – I love being a model, and I definitely do videos. I've got one out on VLT, if you hunt for that. It's me doing loads of hard lesbo stuff. You'll love it! As for the Arsenal shirt, nice idea, but the editor is a Man Utd fan and says 'no way'! Good luck!

NAT'LL DO NICELY! ♣

...and we're all invited!

Club favourite Nataly, making her... let's call it umpteenth performance in these hallowed pages, says that the fan mail she gets from *Club* readers is the best mail she gets. Is it the wit, the erudition, the turn of phrase?

"No, they're just the filthiest by far," she giggles. "*Club* readers have got very dirty minds indeed!"

Well, we're not exactly surprised. Any keepers?

"Oh, I keep nearly all of them. Some of them are ever so sweet and romantic. But the ones I really treasure are the imaginative sexual ones."

How imaginative?

"Well, there are plenty of normal sex ones, and they get me wet. Then there are the ones that are a little ruder – anal sex and things like that – and they get me really horny. But the ones that really have me fingering my pussy until I orgasm are the ones I can't even tell you about! Some guys out there are really wild, and I really like that in a man. Keep the letters coming!"

We... sorry, they, will... ♣

POPSHOT CULTURE!

SEX, TECH, AND TEH INTERNETS: IT'S ALL HERE IN THIS MONTH'S COLUMN BY THE MASSIVE-KNOBBED (OR IS THAT KNOBHEAD?) MATT SANDERS...

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 2 – GAUGE

Sprightly brunette Gauge entered the porn biz at the age of nineteen and immediately found a following due to her impish looks and cracking rack. An athletic performer who began her career as a stripper, Gauge showed no reservation once the camera was on her, gamely performing in bloke-filled orgy scenes and gargling wads of jism like the best of em. She looked like the slutty little sister of Christina Ricci and rutted like a wild animal.

But now that she's 30-years-old, has the Arkansas-born fuckpuppy hung up her fishnets for good? Well, it's too early to tell, but Gauge hasn't appeared in a porno now for a couple of years, and it turns out she's living on a ranch and has gone back to college! We say, good on you, Gauge, go and get some learning done so you can get a proper job once the porn work dries up, but... Well, 30 seems a little young to be quitting the biz. There must be at least five good years of Gauge sucking, fucking and canoodling to be filmed before she starts to get a little rough around the edges (more if she takes care of herself – which judging by her 2005 hospitalisation and near-death due to alcohol poisoning isn't guaranteed). So, if you're reading this Gauge, make sure you haul all 4 ft 11 inches of you back to us once you've got smarter. We miss you!

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Patricia Arquette

The Arquette acting clan – Rosanna, David & Patricia – aren't exactly up there with the Redgraves. Or the Baldwins, for that matter. But in the mid nineties, when she was starring in the likes of *True Romance* and *Lost Highway*, Patricia was an actress well worth watching, not least cos she was bloody gorgeous and pretty good at acting too. Now, the good news is that at the age of 42, Patricia's career is still going very strong (which can't be said about her siblings), and she's also got the same kooky features that made her good wank-fodder fifteen years ago (the crooked teeth, bob haircut, alabaster skin). The bad news is she's just a bit more chunky than she used to be, and there's something a bit mannish about her jawline. Also, you just know Nicolas Cage would have ruined her during their short marriage, cos he's probably well dirty. Still, her TV show *Medium* is ruddy popular and she must be loaded from it, so if you were to shack up with her you could just shut your eyes, picture her in that turquoise bra she wore in *True Romance*, and boff the living daylights out of her anyway. I know I would.

We'd give her some Medium cock.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Hide Your Porn Stash

It has been reported that a 32-year-old woman from Brooklyn, New York, murdered her husband in September of this year after discovering a porn DVD in the family DVD player. The mother of three reportedly went into a rage upon the discovery and hubby was pronounced dead on arrival by the time he got to hospital, with a large knife poking out of his chest. A chilling, stark warning to all of us that it's VERY important to only shack up with women who don't have a problem with bongo.

Porn Parodies Scrape Barrel

What's the first thing you think of when you think of the film *The Human Centipede*, in which three people's intestines are hooked up so that they pass their waste along the chain? Well, if it's knocking one out then you're in luck, cos the porn version of said gross-out hit – *The Human Sexipede* – is available now. Haven't watched it but presumably no-one's forced to eat anyone's poop in this version (it's not German, so it's doubtful). On a lighter, but equally ridiculous note, *The Flintstones: A XXX Parody* is now available, in case the idea of Wilma lezzing off with Betty while Dino watches is your idea of fun.

Truth and Reconciliation: XXX Style

In September of this year, history was made when a South African website made the first ever locally-produced porn movie featuring only black performers. Due to thousands of requests from the website's fans, the company took it upon themselves to make a fuckflick Nelson Mandela would be proud of. Condoms were statutory, naturally, due to the country's HIV problems but all the performers were paid and happy to do their bit for freedom. Hats off!

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Brooke Banner is blonde and has large breasts. If that wasn't reason enough to want to marry her, she also drinks like a fish, eats like a wolf and parades around in bikinis a lot of the time. Yes, she's brilliant. And she spends a lot of time on Twitter letting her 16,000 or so followers what she's up to. Which, as previously mentioned, involves lots of food, booze and bikinis. Like all LA porno starlets, she has pooches that she loves, regularly tweets from her sunbed, smokes pot, and tells everyone who'll listen about what sexy shoots she's doing. Annoyingly, even though she's more than happy to pose for self portraits during her wee breaks, she's actually quite coy when it comes to sharing illicit snaps of herself – most are clothed (albeit skimpily) and only every now and then do we see her in action with her co-stars. Oh well, her banter and life observations make up for it. Here's a small selection:

"Just wrapped a hot scene w @angelinavalen fuck I'm so turned on right now thinking about what we just did I want to get fucked when I get home"

"After hitting the snooze button 3 times I'm finally jumping in the shower. Shooting for myself today! I love these days."

"DVR time... Snuggled on the couch with my 3 pups and my main man... Sons of Anarchy first and then Boardwalk Empire."

"I'm still on the couch feeling like shit... Fuck You period... I hate this time of the month..."

"Made an amazing breakfast burrito, taken a nap and now back upstairs naked in bed getting ready to light up."

"Off to get a facial... Yum! Can't wait. I love being pampered... ;) plus my lady is the shiiiiit"

She's got attitude, tats, tits and all the rest, so get your fat ass over to *www.twitter.com/BrookeBannerXXX* and tell her you love her right away.

Top Five...

Movie Masturbation Scenes

Which actresses give the most Oscar-worthy frig?

5: Nicole Kidman in Margot at the Wedding
A smart little indie movie featuring Kidman in an unshowy role, chances are you haven't seen this. Which is a shame cos it's pretty funny, and Kidman has a wank while lying on her tummy in it. Which is ever so slightly spoiled by the revelation that she's wearing a mouth guard whilst doing so.

4: Maggie Gyllenhaal in Secretary
A pervy classic, *Secretary* stars saucepot Maggie and puts her through all kinds of S&M shenanigans at the hand of her employer, played by James Spader. The standout scene is when Maggie flicks her bean in a toilet cubicle.

3: Molly Parker in Center of the World
A duff, arty, pretentious snooze-fest, this film is only enlivened by the odd shot of porn stars stripping in clubs and the very lovely Molly Parker in some bonk scenes. The raunchiest is the one where she hides her fingers up herself.

2: Kim Basinger in 9 and a Half Weeks
A film full to bursting with formative wank moments, it's fitting that one such moment should be of its female star having a diddle. Our Kim gets so worked up that she hikes up her skirt and frots about in her dank place for a bit.

1: Naomi Watts in Mulholland Drive
Naomi Watts's self-fingering scene in David Lynch's bonkers film is an out and out barnstormer cos it feels so REAL. Even if she isn't bringing herself off (what self-respecting actress would?) it fucking well looks like she is. And yeah, it's all the sweeter cos she's crying too (sorry).

PRICKIPEDIA

MORE SEX FACTS FROM AROUND THE GLOBE(S)

The term 'sexual intercourse' was coined by D.H. Lawrence in 1929 (although I have it on good authority that the act itself had been going on a bit before then)

Upon losing battles, apes will tend to masturbate (so we really DO share the same DNA then)

Too much booze numbs the nerve endings in both male and female genitalia and can decrease female lubrication, leading to painful sex (so bear that in mind next time you try and get the missus drunk so she'll agree to doink you)

One the best ways to increase penis size is to lose weight (see you at the gym, yeah?) ♣

Phillips 7605 LCD TV

AC Ryan Play On! HD

Archos 7 Home Tablet

AC Ryan Play On! HD
£250
www.playonhd.com

I haven't made the move to a media streamer yet at my otherwise hi-tech chateau. That's largely because I'm relatively content with an upscaling DVD player that will play discs of pretty much any format I chuck at it anyway. But eventually I'll tire of these mini-frisbees, which are useless once watched, and that's when I'll turn to something like this. It's pretty comprehensive, and handles 1080p HD files a treat and almost without flaw. You can buy it with a 2TB internal HDD, but there's the option to replace it yourself, and a nice touch is the internal bittorrent client so you can download straight to it. Throw in internet radio and this sturdy beast is a pretty kick-ass piece of tech-geek heaven.

Pros: Lovely HD, very big capacity.

Cons: Not exactly wallet friendly, and lots of competition emerging.

Archos 7 Home Tablet
£180
www.archos.com

As 'Tablets' go, this is about as much use for web browsing as the ones Moses carried down from Mount Sinai. In fact, the clue is in the name, the 'home' telling you that this isn't really a serious iPad competitor. How could it be, lacking Bluetooth, 3G and with a pretty weedy processor that slows things to a crawl at times. And while your Android and Apple mates are all app'd up, this can't handle them. What it does do is play video pretty well, like many an Archos product. But is that enough in this day and age?

Pros: Decent video playback, okay touchscreen.

Cons: Could use an Android update and a better processor.

Phillips 7605 LCD TV
From £849
www.phillips.com

Big fuck-off flatscreen tellies didn't take long to get from being desirable items for early adopters (people with surround sound, in other words) to something you might pick up on a whim in Sainsburys with your cans of Stagg chilli. But while the price point has dropped through the floor for your standard 42" goggle box, the high end of the market remains resolutely expensive and feature-packed. It has to to justify its existence.

The Phillips 7605 LCD range is almost like a clothing diffusion range – you can try on the good stuff at a reasonably affordable price. Finally, we proles can have Ambilight technology and other bells and whistles you didn't know you needed to watch *Come Dine With Me* properly.

Pros: The picture. It's frickin' ace.

Cons: £849 isn't exactly giving it away, is it? ♣

BREAST LIST!

If your name's not down, Ashlynn won't let you in...

Ashlynn Brooke only rolls VIP. While we're the kind of people who end up in a row with whoever is holding the clipboard, going, "No, we're sure we're on X's list..." she just sashays to the front and some kindly meathead lifts the rope for her.

But is the VIP section all it's cracked up to be? Isn't it just full of idiots who think they're slightly better than the rest of us. Who peer beyond a rope at the hoi polloi, who act like their shit doesn't stink when, in fact, they're sharing the same room, the same drinks, the same air, the same dreadful music? They're just doing it with a bunch of snobs instead of with the real people.

Well, we've taken all that into account but, all things being equal, we'd like to be in the VIP section purely because Ashlynn Brooke is in it, and we'd like to sidle up to her and sniff her skin when she's distracted. ♣

My friends think I'm this really quiet, shy wallflower. I want them to know I've got my loves and lusts too, and porn is one of them!

THINK THEY'LL BE SHOCKED?
Very. But I've always wanted to be in *Club* since I first saw a copy. I want to be one of those girls who graduates into a centrefold.

THINK YOU'VE GOT WHAT IT TAKES?
I do. I was a bit shy during this shoot as it's my first ever, and I wasn't too confident I could pull it off. But I really relaxed into it, and by the end I got turned on.

WE COULD TELL. WE'VE GOT SOME PHOTOS WE COULDN'T PRINT!
I'm used to pleasuring myself when I get turned on, and this was no different. I'm glad you can't print those though!

NO, BUT THEY'RE GOING STRAIGHT INTO OUR PRIVATE STASH!
Oh, I don't mind that at all. After all, the girls in *Club* are there to be lusted after and wanked over, and I want people to do that to me as well. And I want you to give those private photos a good going over as well. Enjoy yourself as much as I am in them. ♣

ALBUM REVIEWS

ROLL DEEP
Winner Stays On (Virgin)
Trance and grime are like cocaine and supermodels – they keep you young and active and sniffin' out fresh pussy. This album should be toss but it's got enough charm to keep you interested. Get a copy and with any luck you'll find yourself 6 inches deep inside a young tart.

SWEDISH HOUSE MAFIA
Until One (EMI)
Set to be the dance compilation of the year by miles. 24 quality tracks including remixes of MGMT's *Kids*, Daft Punk's *One More Time*, and TV Rock's *In The Air* will keep the ladies dancing on the end of your cock until the mephedrone runs out.

CHICKENHAWK
Modern Bodies (Brew)
If you're after a Top Shop size 8 girl with a shaven slate and a nice dress on then you're probably best off looking at the other albums reviewed this month. If, however, you're looking for something a bit heavier, a bit sweatier, and a bit more experienced, then look no further.

CEE LO GREEN
Ladykiller (Warners)
Sick of all the headbangin' stuff that the kids are listening to? Then chill out with the bloke from Gnarls Barkley. Lookin' like a black Pavarotti and sounding a like smooth geezer, *Ladykiller* will leave you doing just that.

BRUCE SPRINGSTEEN
The Promise (Sony)
Your Dad will be well chuffed if he finds this in his Christmas stocking along with a bottle of scotch and some mucky DVDs. 2 CDs and 21 tracks that were recorded between 1977 & 1978 – this isn't just a load of new bollocks that you're listening to; it's stuff from the good old days.

FLAT CHESTED GIRLS...

CLUB CHATS TO FLATS VOCALIST AND ALL ROUND GOOD GUY, DAN DEVINE...

What was your first introduction to pornography?
When I was 14, my stepdad went on a trip to Amsterdam and he came back with loads of dark shit. I found it in his office drawers and so I nicked it and had my way with it. Then he did another trip and bought loads of porn but he hid it under the sofa. All my mates came round, found it, robbed it, and never told me. When my stepdad noticed that it had all gone, he thought that I had nicked it and sold it to my friends. So he grounded me for a month!

Where have you been that you would recommend?
I went to Mexico City and that was amazing. I was working as an intern at a label for two months called Noise Up Records. I was living with Mexicans so I wasn't doing the normal touristy things and I got to check out all the local barrios and the weird little late night markets and the bars and clubs. The label were doing Interpol stuff at the time and I got to DJ at the Interpol gig. It was great, I loved it.

Did you shag any Mexican girls?
I did actually, yeah. She let me spunk all over her face. I was 17 at the time and most of the girls that age wouldn't let me get away with that, but she did.

What other jobs have you done, other than music stuff?
I've had some horrific jobs. I worked at Tesco's distribution warehouse up until November last year and that was horrible. I'm not exactly the biggest built chap in the world and I had to lift crates of bananas for 8-10 hours a day, 6 days a week. It was a complete nightmare.

Did you finger any girls at Tesco's?
No, it was mostly massive men that worked there so there wasn't much to get my fingers into.

Have you ever fingered a girl whilst working?
I fingered a girl whilst DJing once if that counts? I think on my tick list for the next tour I'm going to try and get a blowjob whilst DJing, that's got to be next.

Have you got any funny little fetishes you can tell us about?
I was quite into Asian porn for a while.

Did you watch Asian porn with other girls?
Of course – you've got to spread the word around. My first girlfriend thought it was a bit weird when she found out that I was into Asian porn and she felt a bit uncomfortable of the fact that I was so into Asian girls, but I don't care. Hopefully, if we ever get to play in Tokyo or something then I'm gonna rinse it.

Have you ever had a threesome?
I had a foursome once with my best mate and his girlfriend and some bird that I had pulled – it was horrible. I couldn't look my mate in the eye for ages. I got a blowjob off his girlfriend but I didn't shag her.

Classic. Do you like your girls shaven or bushy?
Shaven. I've had hairy girls but it's a bit wild for me.

Ever been caught wanking?
Yeah, by my old best mate. It was snowing at the time and he burst into my room with snow balls thinking I was playing on the Playstation but I wasn't. Instead, I was bollock naked watching the porn DVDs that I stole off my stepdad.

Do you like FLAT chested girls?
No.

So you like big tits?
Not monstrous. A 32C is nice.

Have you ever killed an animal?
We used to go carp fishing when I was younger at Leybourne Lakes in Maidstone, Kent. I went fishing once and the fish died before it got back into the water.

What's your biggest fish?
A 12 pound carp. I caught it on maggots.

Nice one Dan. Keep on shaggin.' www.myspace.com/flatsofcourse FLATS EP is out now on Loog Records.

LOVE!

ON THE GAME

ENSLAVED
(Ninja Theory)
PC, PS3, Xbox 360
★★★★★

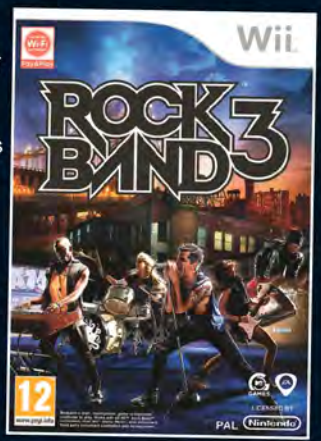
Club were lucky enough to be invited to a swanky do full of similar lank-haired and incredibly pale writers to play this hands-on a couple of months ago. That sneak peek had us itching for a finished copy, and it truly doesn't disappoint. Based on 80's TV staple *Monkey* – itself based on classic Chinese novel *Journey to the West* – Ninja Theory have employed top drawer talent – Andy Serkis, a script by Alex Garland – to deliver a game that offers immersive gameplay, a story that resonates, killer visuals and two main characters – Monkey and Trip – whose interplay draws you further in to the adventure. An early shout for game of the year.

FOOTBALL MANAGER 2011
(Sega)
PC, PSP, Mac
★★★★

The pressure on Sports Interactive and Sega to issue a new version of *Football Manager* every year has not always led to the best results. Online forums are packed with fans moaning about bugs, fixes and patches, while the guys at SI work to mend a game that shouldn't have been released in the first place. But once it all settles down, there's still no better way to lose large chunks of your life. This year they've tweaked contract negotiations, training and interaction with players, edging the game that much closer to realism. Only you don't get bricks thrown at your coach by rival fans or dodgy rape charges.

ROCK BAND 3
(EA)
DS, PS3, Wii, Xbox 360
★★★★

My, how far the world of rhythm action games has come. As successful as *Rock Band* and its rivals have been, the real appeal now is the sheer depth of music available. When this launches, there'll be just short of 2000 songs playable in the game. Okay, they're making a deal out of The Smiths being on there, which is a shame considering they were and always will be shit, but different strokes and all that. After the relatively limited scope of the first iterations of these games, there's now so much cross-genre music available that your very own home karaoke party will definitely go with a blast.



TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

JESSICA RUB IT!

I love to read about group sex in *Club*, and recently my bloke Steve and I went to our first orgy! There was so much going on, but the star of the show was Jessica, a petite blonde, cute and curvy with voluptuous tits. She was on a daybed in garters, nipples peeking out the top of a red half-cup bra that somehow made her look more naked than if she'd actually been naked! Her husband was a wife-watcher, liked to see her get her pussy stuffed. She did a few blowjobs and handjobs too.

Steve asked if she did girls. "Not always, but she'll fuck you," her husband said, pointing at me. I said I would if Steve could fuck her at the same time – I'd always wanted us to share a woman. I got in a sixty-nine, on top, moaning as her tongue penetrated my cunt. She'd been pretty hungry for it, and I felt her swallow the honey that had been welling inside of me.

I played with her fanny, freshly fucked and full of jizz. I stuck a couple of fingers in her hole, pulled out a big rope of the stuff and wiped it all over her shaved twat. Her clit was slick under my fingertips – I couldn't get a grip on it but she was really loving it anyway. I felt her go completely taut under me, then start to cum in waves, forcing out more spunk and juices. I splayed her pussy, to give Steve a tempting target. He was hard from watching but I gave him a wet-palmed wank for luck. Then I jerked him up against Jessica's cunt-hole, then inside of it, finally massaging his balls as he took his first few strokes.

It was almost hypnotic, watching his prick pound her cunt a few inches from my face, sinking in deep then pulling out, glistening with her cream. Sometimes he'd withdraw all the way then slam back in to make her gasp, foaming juices running out down her arse crack. The harder he fucked her, the stronger she sucked on my cunt, fingers tickling my clit so I tightened around her tongue.

Of course, Steve's wet dick looked so tempting I couldn't resist a quick suck – I could taste her on him, plus the tang of whoever she'd fucked already. Then she began to moan, wanting him back inside of her, so I fed him in, my own cunt twitching in sympathy as she licked me with a vengeance. The people watching and masturbating were a blur. I felt myself tighten more, then gush a load of juices into Jessica's gulping mouth. She sucked even harder as my fingers found her clit again, and Steve pumped into her, close to cumming.

He pulled out and spurted a jet of cum on her mound, giving our audience a show.

Immediately, I grabbed his cock and stuffed it back inside her. She squirmed as the molten jizz exploded in her twat. I started lapping up the little puddle he'd left on her pale skin, saw him pull out, connected by a spunky thread for just one second. Then I went down on Jessica.

She had the most incredible cunt – the puffiest, fleshiest labia I've ever seen on another girl, pumped up even bigger by hours of hard fucking. They were glazed with cum and juices, totally smooth against my lips and tongue and

I'll admit it was a real turn-on to taste Steve's familiar spunk out of her. Jessica's man was wearing tight white briefs – word was he only ever watched, never even wanked off when she was putting on a show, saving it all for later. But he was rock hard, you could virtually see his dick throb as a big patch of pre-cum spread out to wet the fabric.

I asked why didn't he fuck his wife now? Show all these men why it was him she still went home with? Some of the regulars looked shocked, like they'd never even thought to suggest it. He told Jessica to turn over, and positioned her arse at the end of the daybed. Then he had me spread her cheeks and lube her tempting arsehole up with juices, before

"As John pulled out I sucked Vince in deeper, letting his helmet slide over my tongue as John thrust"

slathering more on his rock hard cock. She let out a low moan as he stuck it in her, everyone getting really excited. He was the only one who got to do her in the bum, so this was a first-time show for us all.

Steve and I hung around long enough to see him cum, pulling out halfway through to spray her crack and soothe her pummeled backdoor with his warm spunk. Then it was time to go find more action!

Rebecca, Bray

EXECUTIVE ACTION!

At work, I'm the boss and a bit of a bitch – and in relationships, things aren't so different. I needed a change, so late one afternoon I played truant and hit a particularly dodgy working class pub – still wearing my designer suit. The clientele all stared like they'd never seen a girl like me before, and when I asked two blokes – construction workers named John and Vince – if they wanted to buy me a drink, they said I could get them one, since I looked like I could afford it!

Half an hour later, we'd sneaked out the back, me topless as John sucked on my tits, Vince with his hands inside of my knickers, stroking my arse-cheeks. Then he pulled them down, for a better look at my thong. As I stepped out of them, he kicked them to one side, and I didn't care. His mate had three fingers in my pussy.

"She's going to feel very tight around my dick," he told Vince. They had this way of talking about me, which I liked. I wanted them to take control, to give me the fucking I deserved. Vince suggested they switch places, so I could suck on his cock as John fucked me from the rear. Vince stood in front, stroking his dick, and held the back of my hair, guiding my head down to his crotch. His helmet was shiny like a big, red cherry, so I licked all around it before taking it in my mouth.

John was behind me, playing with my pussy lips, before he slid some fingers in. I clenched around them as he began to tease my crease with his dick, tip skimming my arsehole, then butting up against my cunt as his fingers trailed down to my clit. He was frigging it as he pushed inside. Immediately I started cumming around his dick, and he started to drill me harder, humping my mouth onto Vince's big fat cock. I wrapped my fingers around the root of it, letting him fuck my face.

Now I had two big cocks buffeting me between them. As John pulled out I sucked Vince in deeper, letting his helmet slide over my tongue as John thrust in once more. My pussy was dripping as he stirred his length around. Then they changed rhythm, so they were both pushing in simultaneously. I'd have just a cock-tip poised right at each opening, then one halfway down my throat as John's crotch connected with my arse and his balls swung up against my lips.

As I began sucking Vince harder, I felt his balls rising and he pulled out, saying that he wanted to shoot inside of my cunt, not my mouth. I thought John would cum in my pussy first, but instead he pulled out, saying he wanted a titfuck. He looked so horny, ready to burst as he watched his mate lay down, and me settle on his dick, gyrating to get the deepest angle. As I started fucking Vince reverse cowgirl, moaning at the girth stretching me open, John slapped his prick in between my tits.

They're not so big they smothered it, just big enough he could wrap them, soft and firm, around his stiff prick. My cleavage was slick with the cunt cream off of his dick, but as the heat built up so did the friction. His helmet kept poking out in my cleavage and I'd drool all over it before he pulled back again. The jizz sprayed out, soaking my boobs and hitting me in my open mouth. I took it in – couldn't resist swallowing – then moaned again at the hot rush deep inside my cunt as Vince bucked in climax.

I handed John my knickers and said the two of them could fight over them. He said he was married, so Vince could keep them to wank off over. Then they teased me, asking were there no blokes in my office who could slide a desperate exec some cock? I said yes, but they didn't get my pussy creaming in quite the same way. And that's the honest truth.

Elise, London

ROCK GLAND!

Ever since I discovered this great punk band (no, punk is not dead!) a couple of years ago I've been hooked. I've travelled across the country and have watched them perform in nearly a hundred shows. Aside from that, the

walls of my bedroom are plastered with posters and autographed pictures from the group.

My bedside table is also stocked with a collection of plastic dildos that I've personally etched the names of the band members into. I have a plastic prick for each of the guys. I wouldn't dare dream of falling asleep without fucking my dirty little hole hard and having each member bring me to orgasm!

As a treat to myself I vowed that their next show would be one I'd never forget. That

concert was last Friday. As is customary I wore my favourite pleated skirt that barely covers my arse, thigh high boots and a fishnet top. I looked kind of slutty, but in a good way! I took my place at the front of the stage and sang along to each song at the top of my lungs, flashing the band glimpses of my big tits and pussy every chance I got.

my chance to make all my erotic fantasies come to life so I didn't say one word. Instead, I walked right over to the lead singer, I'll call him Robbie, and pulled his cock out of his pants.

"What the fuck," he gasped, eventually succumbing to my hot mouth. He grabbed chunks of my black hair and pumped his hips against my face. I spread my legs open wide to

"They took turns covering me from head to toe with blasts of warm cum"

At the end of the show I crawled under the scaffolding below the stage in order to beat the rest of the horny bitches to the backstage dressing room door. Just as I planned, I was the first one there. I immediately began flirting with their new manager and even let him fingerbang my pussy for the right to go inside and finally meet the band. He was a tough nut to crack but I eventually got my way once I crouched down on my hands and knees on the sticky floor and sucked him off.

I had a mouthful of cum and a sticky pussy as the manager opened the door. Finally there I was, face to face with my idols. I knew this was

the room to give the other band members a clear view of my pussy and arse.

"I remember you. You're at every show!" Robbie said, grinding my nose into his stomach as my mouth continued to suck. Just as I went down for another mouthful of Robbie, I felt a wet tongue gliding over my arsehole. I turned my head momentarily to find Evan, the bass guitarist, tongue stuck up my sphincter. I wiggled my bum over his mouth and urged Lance, the drummer, to drop his jeans and get sucked off alongside Robbie. He rushed right over with his cock in hand and took his turn ramming his bone down my throat.

In the middle of a much-needed gulp of air, I felt my arsehole expand as Evan sank his stick into my anus. He fucked me hard, barking out orders for me to continue sucking his friends. After several minutes Lance pushed Evan away and had me sit on his cock in reverse cowgirl over the leather sofa.

I jumped on his dick and rode him harder than I've ever fucked a guy before, barreling down on his lap like a train. I imagined all the nights I had fucked myself silly in my bedroom fantasising about this very moment.

As I started to scream with my first orgasmic release, Evan popped his cock in my mouth to muffle the moans, grabbing my cheeks and insisting that I pay attention. Once Lance had enough of my pussy he passed me on to Robbie. In one move I found myself on the floor in piledriver position. Evan held my left leg open while Lance held my right. Robbie stepped between my legs and dipped his dick inside my cunt.

"Spread this nasty little slut open!" he urged his mates as he hammered my hole with his nail. I stayed in that position long enough for each of the men to dip their dicks in me. When they were through satisfying their cocks and making me cum they laid me across the floor, stood over my naked body and took turns covering me from head to toe with blasts of warm cum. I left that show feeling on top of the world and wearing genuine rockstar cum rather than just some rip-off tour T-shirt!

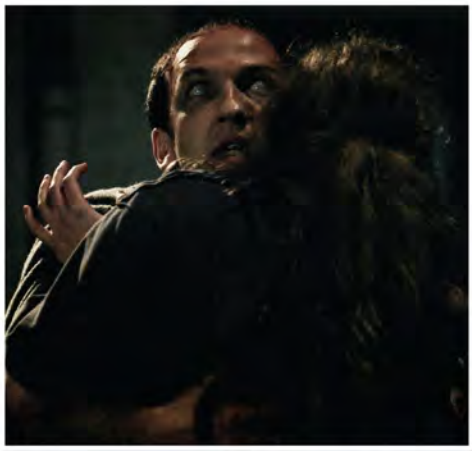
OFF YOUR HEDONIST

As part of the Government cuts, all these films will now cost you £1000 each.

RATINGS: ★ FAIRIES ★★ WITCHES ★★★ WEREWOLVES ★★★★ ZOMBIES ★★★★★ VAMPIRES



SIEGE OF THE DEAD (AKA RAMMBOCK)

(REVOLVER ENTERTAINMENT, £9.99).

There might be better films on release this month – in fact, there are several – but we had to make *Siege of the Dead* our lead review because we're on a bit of a zombie mission at the moment. Blame the recent release of *Dead Rising 2* on the Xbox 360. In fact, this film isn't so far removed from a computer game – as well as more obvious touchstones like *28 Days Later* and *Rec* – as Michael and a plumber's apprentice called Harper are trapped in a Berlin apartment block surrounded by inexplicable hordes of zombies. So, yes, it's a survival horror, but debutant writer/director pairing Benjamin Hessler and Marvin Kren add unusual splotches of humour and romance too. Friday night. Pizza. Beer. *Siege of the Dead*. Sorted.

★★★★

Dark Skies
(Mediumrare Entertainment £39.99)

Sci-fi, in all its various iterations – *Star Trek* spin-offs, *Lost*, *Fringe* – is now a part of the TV furniture, but in the 90's, it was still seen as something for a minority of nerds. *The X-Files* was the show that changed that, but the often-overlooked *Dark Skies* helped that too. Originally broadcast on Channel 4, its main idea was that history was a lie and that aliens had been living side by side with humans for decades. Over 18 episodes, it let a small-scale cast (including the brilliant J.T. Walsh) weave some small screen magic, and its DVD debut is long overdue.

★★★★

Frozen
(Momentum £15.99 DVD £19.99 Blu-ray)

It's the kind of concept that could be written on a napkin over lunch, but as ideas go, there's really nothing wrong with 'people trapped on ski-lift. Terror ensues'. With a cast of virtual unknowns, this effort from director Adam Green makes a virtue of its limitations, three people stranded on a chairlift when their ski resort closes. It turns out that the biting cold isn't the only pressing issue. A likeable and occasionally nerve-wracking genre piece, this should find a perfect home on DVD.

★★★

80 Blocks From Tiffanys
(Five Day Weekend)

A long lost minor classic, Gary Weis' 80 Blocks... could be summed up as *The Warriors – The Documentary*. Inspired by an *Esquire* article on New York gangs the Savage Skulls, *Saturday Night Live* staffer Weis turned his camera on that South Bronx street gang, as well as the Savage Skulls. In doing so, he captured a slice of New York life that is often overlooked. The Bronx in the late 70's is a different planet to the Bronx of this millennium, a no-go zone that Weis boldly treads into. The DVD comes with plenty of extras, including a 40 page booklet that incorporates Jon Bradshaw's original article.

Night of the Demon
(Mediumrare Entertainment £19.99)

'Cult' classics are often, beneath the patina of time, a crock of shit. The same goes for 50's monster horrors, our continued love for them merely a function of nostalgia. Jacques Tourneur's *Night of the Demon* is a rare exception. Director Tourneur – who'd mastered horror with 1942's *Cat People* and film noir with 1947's *Out of the Past* – marshals his stars Dana Andrews and Peggy Cummins with verve in a film that remains genuinely frightening, especially in this restored director's cut. ★★★★

The Larry Sanders Show Season Two
(Mediumrare Entertainment £29.99)

At last! Some 17 years after it first aired, the second season of the brilliant *Larry Sanders Show* finally makes it to DVD. Pushing on from the first season, this takes us deeper into the paranoid, back-stabbing world of TV, Shandling's depiction of the eponymous Sanders becoming a thing of genius. He frets over awards, he has a heart attack, he disrespects Hank. The cameos come thick and fast: Letterman, Sugar Ray Leonard, Roseanne Barr, Adam Sandler, Jerry Seinfeld, Alec Baldwin, Hugh Hefner and Burt Reynolds are the tip of the iceberg. Buy this so they keep puttin' em out!

★★★★★

Deadly Outlaw: Rekka
(Arrow Video £15.99)

Best known to Western audiences for *Audition* and *Ichi the Killer*, Japanese director Takashi Miike is not only profilic, he's also perversely diverse in his subject matter. This curio from 2002 is a Yakuza movie, but that description doesn't begin to do it justice. Written and produced by two former Yakuza, Deadly Outlaw is about as restrained as your typical Miike film. In other words, not at all. Arrow keep up their recent fine run with a great transfer and extras galore, making this essential for Miike completists. ★★★★

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BROWN DAWN!

The other evening I was at a party with a few old University friends, and after a few drinks we all got talking about our unfulfilled sexual fantasies. Most were pretty run-of-the-mill until it came to Bernice. She's the quiet type, bookish and a bit of a wallflower at parties, so it was a surprise when she blushingly revealed that she'd always wanted to try anal sex, but all the men she'd dated had thought she wasn't that kind of girl. Everybody laughed at that, and then again even louder when it came to my turn, and I confessed that I'd always wanted to fuck a girl in the arse, but none of my girlfriends had ever consented to it.

As everyone cracked up laughing, I started seeing Bernice in a completely different light. Perhaps it was partly down to the beer, but in her own understated way she now actually seemed quite a babe. How come I'd never noticed before? And had this whole thing been set up? All these questions and more I suppressed in the time-honoured manner – with more beer. Bernice too was throwing down the booze, in an attempt to calm her nerves, it seemed to me. I smiled over at her. She smiled back, then coyly cast down her eyes. I went over to her. "So," I said somewhat portentously…

A few hours later I was in a taxi with Bernice on the way back to her flat, petting and all that stuff. But things quickly took a more serious turn at her place. Right away we were kissing passionately, fumbling and groping, and tearing off each other's clothes. Mousey little Bernice turned out to have a fantastic body, with a fine, firm arse. A very fuckable arse, which I followed down the hallway into Bernice's living room, where, emboldened by the booze, she pushed me onto a couch.

Scrambling on top of me reverse-cowgirl style, she then jammed her head onto my stiff dick, and proceeded to give me an awesomely sloppy blowjob. Bernice! Who knew? And with her silky pink twat hovering mere inches above my face, what could I do but slaver at it like a man possessed. Hell, if I could, I would have stuck my head inside that delicious fanny – I certainly gave it my best shot. I was loving it so much, I was even a little disappointed when after a while Bernice hopped off onto the floor.

"Act two," she said to me. "The main event!"

Suddenly I wasn't disappointed anymore, because I knew what that meant. I moved over to let Bernice back onto the sofa, where she got on all fours facing away from me, resting her elbows on the sofa's arm. I was looking right into the small brown eye of that sweet plump arse, where I felt my cock rightly belonged. And that's where it was headed, no matter how small the entrance might be.

I spat into my hand, and rubbed my spit over my bulging cockhead. I lined my helmet up against Bernice's puckered arsehole, and with a series of short stabbing motions, my cock gradually made its way inside. That felt so good! Bernice was super-tight, and she rubbed her clit and wiggled her arse as I pumped it as hard as I dared. Which is to say, not very much. I was being handed arse sex on a platter without having to beg for it, and I knew better than to blow it by going hell for leather right from the bell. So I took things carefully at first. But when Bernice started pushing back against me, I cottoned on that she wanted it harder, so I moved up a gear. Now, I'm not usually one to brag – so you'd better believe me when I tell you that I fucked Bernice's arse

something rotten! Before long her bum was shimmying so much, it felt almost as though she was spinning around the axle of my pistoning shaft. Like my dick was the centre of her sensory universe. Who knew anal sex could be this good?

As Bernice's gasps told me she was about to orgasm, I started cumming too, and pulled out my dick to pop my gloop over her booty. Watching the stuff run down her sweaty arsecrack and over her puffy pussy lips, I was immersed in the utmost sexual satisfaction. And when Bernice's rhythmic sighs eventually died away, she murmured, "Mmm… Let's do that again sometime." That sometime is tonight!

Griff, Ipswich

PACKING MY TRUNK!

As a high-powered executive lady, I travel a lot on business. But I never get lonely! In fact, I've become expert at singling out the best bars and restaurants to score some prime cock.

And when I get a cock, I generally take it in the arse. Sorry to be blunt, but that's what gets me the horniest.

My most recent sex success was a bigger triumph than usual, because initially I'd thought that for once I'd lucked out. On a long late-night drive I'd rocked up at a small town in the middle of nowhere, which, although it was somewhat of a backwater, I figured would be as good a place as any to spend the night.

Once I'd checked in to the town's only decent B & B, I went out to find whatever passed for action in this sleepy place. But I thought my cock radar had led me astray when I entered the first pub I saw. There was literally one bloke in there, in greasy overalls, pissed out of his skull. While I was prepared to slum it a little, that would be going too far. I cursed my luck, until a sound made me turn around to see the barman emerge from a back room. Now this was more like it. He was big and fit and had a twinkle in his eye that told me he had an impulsive streak in him. Just my type.

"Hello, madam," said the barman, whose nametag read Nathan. "I'm afraid you're a little late for a drink. It's chucking out time now. Did you hear that, Pete?"

"I heard you," growled the drunk, who got up and shambled out of the door, leaving me alone with Nathan.

"How disappointing. There's really nothing here for me, Nathan?" I asked him with an exaggerated pout.

"I didn't say that," he said with a charming smile. Then he walked right up to me, and audaciously planted a kiss on my lips. I actually swooned in his arms, and he effortlessly lifted me up onto the bar on my stomach. Then he pulled my skirt up and my knickers down, so expertly I got the distinct impression he'd done it before. I heard the sounds of his belt unbuckling and his jeans hitting the floor, and then a noise that I took to be that of his boot soles hitting chrome. He was standing on the rail around the base of the bar, enabling him to slam his meat up my cunt.

"He rubbed his saliva around my brown-eye then began feeding his dick into my arse..."

"No, not in my pussy," I told Nathan before he could build up a head of steam. "In my arse!" I can be kind of particular about these things. "It's my arse or nothing!"

"Then your arse it is, babe," Nathan responded, withdrawing his dick from my cunt. He repositioned me so I was on my side on the bar, and facing away from him. He spat on his fingers, liberally rubbed his saliva around my brown eye, and then, showing more tenderness than I thought him capable of, began slowly feeding his dick into my arse. I tightly gripped the edge of the bar, giving me enough leverage to buck my hips in time with Nathan's increasingly powerful thrusts.

So here I was, the original high-achieving female executive, who rules her department with an iron hand, being rudely taken in the arse over a beer-sticky bar in some shitty little town by a horny barman. If my co-workers could see me now! In fact, what with the blinds still being up and all, a lot of people really could have seen me, if this town's streets hadn't been so deserted. I was past caring about that anyway. The way Nathan kept cramming my arsehole with his cannoning cock drove all cares from my cranium.

Bam, bam, bam – I felt my arsecheeks quiver with the force of Nathan's relentless fucking action. Bam, and bam some more – and then came my onrushing climax. I shook so violently in orgasm, I had to hold on extra-tight to that bar to keep from falling off it. Then Nathan let out a gasp, and I felt my sphincter flood with his hot sticky man-cream. That same fluid was still trickling out into my knickers even as I walked the silent streets back to my B & B. I must be the best thing that's ever happened to that town!

SCRUFF JUSTICE!

Like Claudia Winkleman. With added winkies...

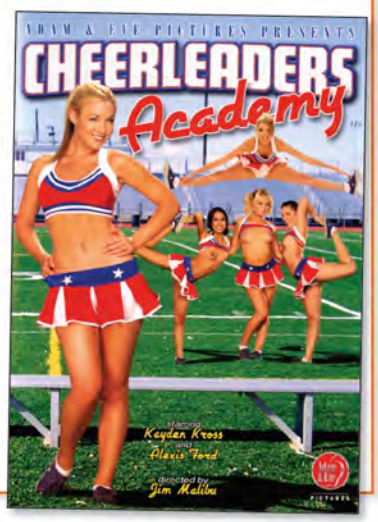
RATINGS: ★ HARDLY ★★ HARDY BOYS ★★★ HARDEEP SINGH ★★★★ HARD-ON ★★★★★ HARDCORE

HARD DAY'S WORK (WICKED)

"Hey, I've got a great idea for a porn movie. It's next level."
"Sounds great, run it by me."
"There's a race of sex-starved fembots living on the moon who capture men and extract their semen in order to build a master race of sex-crazed mega moonmen."
"I like it, but it sounds expensive. Tell you what, keep the same cast, but just change the moon for an office and the fembots for secretaries."
"Can I keep the moonmen?"
"Nah. Just have men. Men having sex with women dressed as secretaries."
"Can do". ★★★★

CHEERLEADERS ACADEMY (ADAM & EVE)

After the secretary-fest above, you could be forgiven for imagining that porn companies have just given up trying. Well, to be generous, you might be realistic and just accept that they keep doing what keeps on selling. And hot young American women dressed as cheerleaders isn't ever going to stop selling. The box-office appeal here comes courtesy of Kayden Kross, Alexis Ford and Nicole Ray, who've all mastered the tricky art of remaining cute and pretty while massive cocks are rammed repeatedly into them. Well, you try it. ★★★



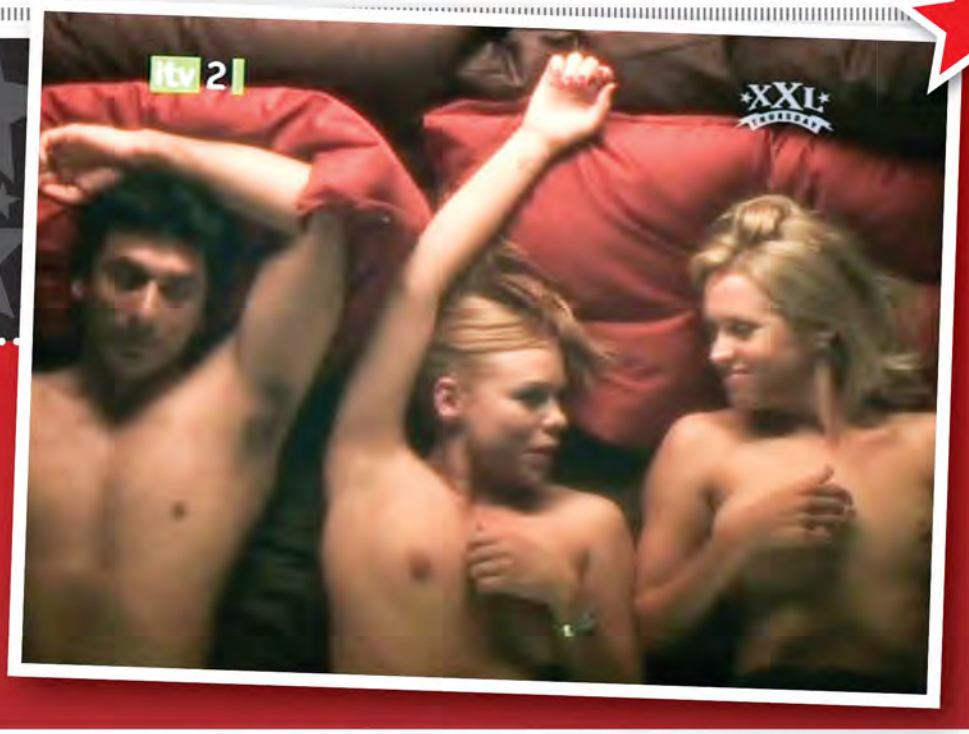
KEISHA KANE EXTREME AND INSANE (TELEVISION X)

Television X have always shown an ability to discover and nurture new British porn stars – which is perfect for those of us who don't want to constantly pull our puds to vacant-looking Valley girls. Keisha Kane is the latest and she puts in a very decent shift here, whether getting tongue deep in a fellow slut or getting filled with getting on for two feet of knob in a threesome. No bum action, unfortunately, but you don't want to give it all away straight away, do you? Keep 'em waiting... ★★★★

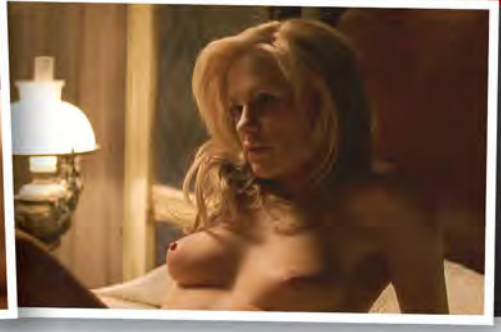
CELEBRI-TITTIES!

***Club* has always enjoyed hunting out and bringing you the best in Celeb nudity, but it's been a while since we updated you on which women are prepared to flash a nipple or share a glimpse of flange in the name of 'art'. In fact, most magazines still seem content to trot out the same pictures of Heather Graham in *Boogie Nights* or Anna Friel in that dreadful BBC drama where she got her furbox out. Well, no more. It's time for today's stars to strip-off and show us the bits they only show their loved ones. We deserve it!**

Billie Piper



Piper? Of course we would. Back when she was a squeaky clean pop star and shacked up with Chris Evans, we wouldn't have touched her with yours. But after being Dr. Who's assistant she flashed her Billie's and said 'cock' occasionally in glossy but sexy show *Secret Diary of a Call Girl*. There's a sneaking suspicion there's a body double doing a lot of her skin-work, but there's no denying she sexes up the screen a treat!



Anna Paquin

Anna Paquin was kind-of fit in the *X-Men* movies, and sexy as a sassy student in Spike Lee's excellent *25th Hour*. But she's become more famous than ever as Sookie Stackhouse in genre-busting vampire/wolf/shape-changer/serial killer/witch drama *True Blood*. She holds the frequently mental show together, and she gets her boobs out a lot. Now there's a TV show.

Ali Larter

In *Heroes*, which started off all ace then went all shit, Ali Larter played two roles, one of whom spent some time as an internet stripper. Ace. They downplayed the stripping stuff as the show got progressively shitter, but we'll always have these shots of her creaming up her boobs in *Varsity Blues*. It goes without saying we're thinking about creaming up her boobs right now.

Anne Hathaway

Obviously, we don't mean Shakespeare's wife. She did hardly any screen nudity. No, this one looks like butter wouldn't melt, but in fact is getting her top tee-hee's out pretty much all the time. We've freeze-framed her top cunts in *Brokeback Mountain*, in *Havoc*, and in *Rachel Getting Married*. In fact, they're barely in, which suits us fine. Maybe it's time for Mrs Shakespeare to up the ante by getting her fanny out. It's a Hathaway arms race!

Gemma Arterton

You may have admired English rose Gemma in *Quantum of Solace* or both instalments of *St. Trinians*. But as those films are a load of shit, we couldn't possibly comment. We can, however, comment on the amount of time her fun areas spend on display in *The Disappearance of Alice Creed*. Okay, she spends most of it with a ballgag in her mouth so she can't yap, but isn't that just a case of win-win?

Carey Mulligan

We so wanted her to be the Doctor's assistant after she appeared in the best episode of *Dr. Who* ever. But instead she went on to be all Oscar-nominated and a national treasure. Well, good for you, Carey, but at least we'll always have this moment when you got your two best friends out in the little seen *And When Did You Last See Your Father?*. Well, we know when we last saw your tits. Just a minute ago. In *Club*. On this page.

Paz De La Huerta

To be frank, Paz De La Huerta can't keep them in, which is what happens when you're a New York model-cum-actress. Most of her tits-out films have audiences of 0, but she's currently flopping 'em out in critically acclaimed HBO drama *Boardwalk Empire*, often when sitting on top of Steve Buscemi. We'll take it how we can get it, especially with those big saucer nips.

Heather Graham

The wondrous Heather is no stranger to bra-free moments in front of the camera, and she ain't stopping! In fact, she's just got them out in a lesbo-licious scene with Jaime Winstone in the generally cack *Boogie Woogie*. But trust us, that film is bursting with jugs. Heather's are the best though, must be films with *Boogie* in the title.

Christina Ricci

She's up and down like a bride's nightie, she really is. One minute she's all weird and skinny, the next she's all weird and sexy. Whatever, she's had 'em out in *Prozac Nation*, *Black Snake Moan* (in which she's basically the sexiest woman ever) and now in *After Life*. She's the girl both goths and people who bathe can like. She can act a bit too, which helps when you're staring at her lovely tits all the time.

Michelle Williams

From *Dawson's Creek* to Dawson's crack, Michelle Willams loves to strip off in indie fare such as *Brokeback Mountain*, *If These Walls Could Talk*, *Me Without You* and *Incendiary*. In fact, if you know a scene where keeps her clothes on, email it to us. On second thoughts, don't bother. We prefer her with nowt on. ♣

Sara had a bit of a wild time in Leeds last month with my mate Caroline. Well, after Caroline left we decided to grab a taxi back to the hotel and carry on where we left off!

However, Sara couldn't wait until we got back and decided to give the taxi driver a bit of a thrill. Whilst we sped through the Leeds streets, Sara unbuttoned my jeans and, as her tongue explored my mouth, slid her hand into my knickers. I was already wet so she easily slid two fingers up my pussy, stopping to rub my clit now and then, getting me all frothy. The taxi driver kept stealing little glances of us in the rear view mirror and overtaking cars kept beeping us as they passed. Needless to say we gave the cabbie a big tip before we went into the hotel and checked in.

We couldn't keep our hands off each other as we made our way to the room and once inside I went to the bathroom to freshen up. Sara was obviously on heat as she followed me in and stripped me down to the bare essentials. We spent the rest of the night drinking the minibar and tonguing each other's pussy until we were screaming the place down in ecstasy. If they tell you it's grim up north, they're lying! ♣

1

SMITH & BONES

Ah, the halcyon days of 1998. Your current Editor made his debut as Sub-Editor, and took the cab-based photos that opened up regular girl Kirsty Smith's latest lesbo adventure. In a never-to-be repeated feat of sexiness, both models AND the make-up artist tried to get off with the Sub. Before he got drunk and fat.

2

RANDY SANDY

Not content with one regular girl, *Club* flouted two back then, with Sandy's Fantasies a much-loved mainstay of the mag. In fact, 12 years later and Sandy is still going strong, still looks amazing, and she'll still be appearing in *Club* as we've just gone and shot her for our 40th birthday special.

3

PIXIE DUST

Nadia, known to many as Pixie, had made her *Club* debut only a couple of months before, but already had you lot – and us – all a flutter. Here we got her to do it with Majella (who we called Chloe for some strange reason) and we're not kidding when we tell you the shoot got out of hand. Filthy cows.

4

MAJOR MORGAN

Our Reader's Girlfriend section has discovered some real stunners over the years. Here's wonderful Welsh babe Lorna making her magazine debut after contacting *Club*, before she went on to become one of the world's premier boob babes, whose massive funbags are still wowing 'em today. ♣

BLUE TOUCHPAPER!

Light it, then retreat to a safe distance...

When you stick Blue Angel and Sandra Shine together, what do you get? Well, what you don't get is a demure conversation about the latest episode of *The Apprentice* or who got voted off *Strictly*... Nope, what you get is unfeasibly hot and absolutely unstoppable lesbian antics.

Blue Angel has just announced that she's retiring from hardcore action, but the sight of Sandra's suckable tits and juicy pussy removed her resolve in seconds and she feasted in full. As for Sandra, she's not prone to making announcements about retiring or whatnot because, well, why the fuck should she? She knows that all she has to do is turn up at a shoot and she'll have her pussy eaten, her arse finger-banged and will get a taste of cunt herself.

So, after putting these two together, we simply lock up the pets and retire to do a safe distance to witness the fireworks. And if they fizzle out, approach with caution, because they're almost certain to catch fire again any second... ♣

These two get out of hand only at...

DOWN THE WIRE

Just A Womb Man In Love

Forty-seven-year-old Ingrid Paulicivic has filed a lawsuit against weirdo California gynaecologist Red Alinsod of Laguna Beach over painful and inexplicable leg burns she acquired during her 2009 hysterectomy – a procedure which was bizarrely followed by the sinister doctor's 'branding' of her name on the newly removed uterus with his electrocautery tool.

Dr Alinsod explained to interested members of the press that he carved 'INGRID' in inch-high letters on the organ only after he had completely removed it from Ms Paulicivic's body because he finds that such labelling helps in the event a lady patient requests the return of her womb as a souvenir. He dismissed the branding with a smile as being, "just a friendly gesture" and said he had no idea how the burns on Ingrid's leg were sustained…

Businessman Prefers Girlfriend In Rubber

Adult doll maker Diego Bortolin, who specialises in lifelike, precisely detailed, anatomically correct and fully flexible models of humans, confessed to investigative reporters that yes, he had indeed just completed a special order for a 50-year-old businessman.

Bortolin, who creates super-realistic sex dolls at the factory behind his shop Tentazioni (Temptations) in Treviso, Italy, declined to name his client but revealed that the gent had paid the equivalent of $18,000 (almost four times his normal fee for a doll) to go beyond Bortolin's generic 'young woman' and create a perfect replica of the businessman's girlfriend who had recently dumped him. The extra expenses were, "because we had to replicate everything, right down to the shape of her nails and teeth." In addition, Bortolin added, the customer wanted his replacement girlfriend to have considerably larger hooters.

Said Bortolin: "Our normal dolls are very realistic and everything works just like the real thing. The client's ex was a smiling blonde girl, but he wanted bigger boobs and a curvier backside. Some people say it is kinky, but so far as I can see she is now the perfect girlfriend."

Smelly Shut-In Points Grubby Finger At 'Addictive' Online Game

Hawaii-based shut-in Craig Smallwood has torn himself away from his computer keyboard long enough to file a federal lawsuit against the makers of the online virtual-world game *Lineage II* for failing to warn him that he would become so addicted to playing it that he would be 'unable to function independently in usual daily activities such as getting up, getting dressed, bathing or communicating with family and friends.'

Mr Smallwood claims to have spent 20,000 hours over five years playing the game and doing nothing else besides. Released in 2003 as a sequel to the original *Lineage* game, which was a national phenomenon in South Korea, *Lineage II* gained a reported 600,000 users within a few years, and is still being regularly expanded and updated at present. Judge Alan Kay listened solemnly to Smallwood's PC-potato petition before declining to dismiss the lawsuit, and ruled that the matter should go to trial.

Peckish Jumbo Rapist Cracks When Tempted With Crisp

Bruce Tuck, who was collared by cops some months ago, admitted to a series of rapes in Martin, Tennessee and was sentenced to 60 years in prison and faces yet more charges, recently attempted to retract his confession, protesting that he was not of sound mind at the time he owned up, because, although he weighs in at almost 20 stone, he was being held in prison on a 'lettuce-only' diet.

Consequently, 'Liar Tuck' (as the convicted rapist has now been dubbed), insists he was unusually vulnerable to making a false confession when a detective keen to make him admit to the charges tempted him with a bag of potato crisps. Salt 'n' Lineker, yeah? ♣
